

## Mini-type Self-adjustable Crimping Plier 175mm

### Basic data:

ID	0001680002
GTIN	7630268408657

### Features:

Quick release lever on the inside of the handle to open the jaws  
Adjustable crimping compression with ratchet mechanism design  
Rugged and durable

The pressure adjustment knob provides three types of pressure output:

- 0.08-2.5 mm<sup>2</sup>
- 4-6 mm<sup>2</sup>
- 10 mm<sup>2</sup>

### Technical data:

Suitable for:	Various applications
Compression shape:	Square compression
Cross section:	0.08 ... 10 mm <sup>2</sup>
AWG-range:	28 ... 7
Length:	175 mm
With locking device (for mechanical tools):	Yes
Construction/operation:	Mechanical
Number of included inserts:	0
